

**Rural Life Mission
Ministry Opportunity
Thunder Bay Mission House Hosts**

Rural Life Mission, located in Hagersville ON, is looking for a couple to live at its mission house in Thunder Bay ON (see picture on website as mentioned below). This position involves maintaining the house, providing hospitality for other mission personnel who might need to stay there. Sometimes the basement apartment is rented out to Christian college or university students.

This position involves cooking meals for house guests, doing the washing of linens, and making house repairs as needed. There is also opportunity to get involved in other opportunities as long as this does not interfere with the hospitality aspect of the ministry. A pleasant disposition, a welcoming smile and a godly character are essentials for this ministry.

The Mission has a website (www.rurallifemission.ca) which contains the Statement of Faith and a short description of RLM ministry locations. There is a church in Armstrong ON, a Mission Home in Thunder Bay, a camp located an hour southwest of Thunder Bay (operated all year round). The other two ministries of the RLM are church outreaches located in Geraldton ON and Sprucedale ON.

The Mission was incorporated in 1945 in Ontario. It is an evangelical, independent, faith-based mission. The workers are expected to raise their own prayer and financial support. A monthly salary is paid.
